This hand sculpture in front of which we took our group photo symbolises freedom and peace.

In the evening we had our dinner at Yunus' place.

- On our second day we went on a historical tour close to our city

On this occasion, we learned more about ancient history and cultures

Our first stop was House of Virgin Mary

It is known that John brought Virgin Mary to Ephesus 4 or 6 years after the death of Jesus. It is the house where Virgin Mary spent her last days.

- After that we visited Ephesus Ancient City

Ephesus was an ancient port city whose well-preserved ruins are in modern-day Turkey. The city was once considered the most important Greek city.

- Then we visited Şirince

Şirince acquired world-wide fame when tourists flocked to the village in December 2012 to witness the Mayan Apocalypse

second day
29.03.2022

On Wednesday, we gathered at school. Then every participant from each country made their presentations about "Digital Security".

After Turkish team's presentation all students went to lab to make some preparations to play "Never Have I Ever game".

While we were playing our game, teachers had a meeting in the school's project room.

We separated in groups to do our survey on streets and ask questions to citizens.

As Turkish team we made a surprise for our guests. We took them on a boat trip!

On the fourth day,
we set off for
Pamukkale early in
the morning.

We had lunch
before going to
Pamukkale after
a long journey.

On Friday we gathered at school again
Students evaluated the survey and then presented the results in front of teachers.

*Then we played **Kahoot!**
After the game we started
the certificate ceremony.*

Kahoot's winner was Alexandra!

Oil trees symbolizes peace and freedom.
Also oil trees live long.
Therefore we planted them together. Every country has their tree and we will take care of them.

After school we separated for free activities and then got dressed for our final party.

And finally we gathered in the hotel to go to the restaurant where we were going to make our last dinner.

Our school's students performed their folk dance.

It was an amazing experience to get to know all of you! We really enjoyed this week.

THEY SAY "ALL GOOD THINGS MUST COME TO AN END." BUT MEMORIES AREN'T TEMPORARY.

The week of preparation was exhausting but we had a lot of fun so we think it is totally worth it!
